

# Prototron Circuits

America's Board Shop™

Quickturn PCB Manufacturing Since 1987

## Capabilities Summary

- 24-Hour Quickturns (2-16 Layers)
- Up to 30 Layers in 72 Hours
- 5 Day Standard Turns - No Premium
- RoHS
- Blind and Buried Via's
- Filled Via's
- Impedance Modeling and Testing
- 3/3 Lines and Spaces
- .002 Core Processing
- High Aspect Ratio Plating
- Board thickness up to .187
- Full Body Nickel/Gold
- Electroless Nickel Immersion Gold (ENIG)
- Immersion White Tin
- Immersion Silver
- Industry Standard Materials
- Specialty Materials
- Sequential Lamination Construction
- Conductive Carbon Ink
- IPC 6012 Class 1-3
- **ISO 9001:2008 Certified**
- Mil-Spec Certified (Tucson)
- **ITAR Registered**
- Controlled Depth Drilling

### Our Redmond Facility...

15225 NE 95th St.  
Redmond, WA 98052

425.823.7000  
Toll Free: 888.847.7686  
E-mail: [Info@Prototron.com](mailto:Info@Prototron.com)

### Identifications

- **CAGE/NCAGE:** 002X3
- **NAICS:** 334412
- **SIC:** 3672
- **Fed Tax ID:** 91-1374474

### Our Tucson Facility...

3760 E. 43rd Place  
Tucson, AZ 85713
